2022 Subject Combinations

Sec 3 Express

A Dynamic School providing Holistic Education

Nurturing Broadricians to be future-ready learners with Strength of Character.

An illustration of a mountain range with several hikers. A red line traces a path from the bottom left, up a slope, across a ridge, and to the top of a peak where a hiker is celebrating with arms raised. Other hikers are shown at various stages of the climb.

Number of Subjects for Sec 3

- **Express : SEVEN or EIGHT subjects**

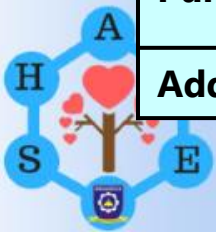

A Dynamic School providing Holistic Education

Nurturing Broadricians to be future-ready learners with Strength of Character.

Subjects Offered (3 Express)

8 Subject Combination (Triple Pure Science)	7 Subject Combination #1 (Double Pure Science)	7 Subject Combination #2 (Combined Science)
English	English	English
Mother Tongue	Mother Tongue	Mother Tongue
Mathematics	Mathematics	Mathematics
Combined Humanities • Social Studies / Geography Elective OR • Social Studies / History Elective	Combined Humanities • Social Studies / Geography Elective OR • Social Studies / History Elective	Combined Humanities • Social Studies / Geography Elective OR • Social Studies / History Elective
Pure Chemistry	Pure Chemistry	Combined Sciences • Physics / Chemistry OR • Biology / Chemistry
Pure Physics	• Pure Physics OR • Pure Biology	Coursework-based subjects • Design & Technology OR • Food & Nutrition OR • Art
Pure Biology	• Additional Mathematics OR • Principles of Accounts	• Additional Mathematics OR • Principles of Account
Additional Mathematics		

Nurturing Broadricians to be future-ready learners with Strength of Character.

Criteria for Selected Subjects (3E)

Express	Criteria
8 Subjects Combination (Triple Pure Science)	Overall $\geq 65\%$ 2E English $\geq 60\%$ (Overall) 2E Science $\geq 70\%$ (Overall) Must qualify for Additional Mathematics
7 Subjects Combination #1 (Double Pure Science)	2E English $\geq 60\%$ (Overall) 2E Science $\geq 70\%$ (Overall)
Additional Mathematics	2E Maths $\geq 70\%$ (Overall) AND $\geq 70\%$ for EOY algebra questions
Food & Nutrition	Max. 20 students per class
Design & Technology	Max. 20 students per class

Some Advice / Info for Students (3E)

1. Criteria is an indication that students have sufficient base knowledge and skills they need to cope well with the associated subject. Students need to work towards meeting these criteria if they aspire to take these subjects.
2. For 'A' levels, students **cannot offer 3 pure sciences** as they need to take a contrasting subject.
3. **Express Additional Mathematics** is **useful** for students who aspire to go JC/Pre-U to do a science course, and hopes to study Mathematics or mathematics-related courses (e.g. engineering, sciences, etc.) at the universities, or wishes to study in Engineering-type courses at the polytechnics.

However, it is **NOT** a compulsory subject to count L1R5 (JC) or ELR2B2 (Poly).

Points to Note

- The range of subjects/subject combinations to be offered may change depending on the outcome of the preference survey.
- The school reserves the rights **not to offer** subjects or subject combinations which do not have at least 15 students.
