*Nurturing Broadricians to be future-ready learners with Strength of<sup>8</sup> Character.*

# Some Advice / Info for Students (3NA)

1. Criteria is an indication that students have sufficient base knowledge and skills they need to cope well with the associated subject. Students need to work towards meeting these criteria if they aspire to take these subjects.
2. For students aspiring to go for **PFP** or **DPP**, you can refer to the following Polytechnic or ITE admission website for more details on criteria for admissions to these institutions.

**PFP:** <https://pfp.polytechnic.edu.sg/PFP/index.html>

**DPP:** <https://www.ite.edu.sg/admissions/full-time-courses/higher-nitec-dpp>

## Some Advice / Info for Students (3NA)

3. Students aspiring to proceed to **Sec 5** may wish to refer to online JAE booklet to find out what are the entry requirements for their post-secondary options (JC, Poly, ITE, etc.) after their Sec 5. Based on the course they are interested in, then decide which electives to opt for. The current version is for year 2021.

URL: <https://www.moe.gov.sg/post-secondary/admissions/jae>

4. Students aspiring to proceed to **Sec 5 and then to Polytechnic** should also refer to the Polytechnic admission website for more details on criteria for admissions to these institutions.
