

24 March 2023

Dear Parents/Guardians,

WEIGHTED ASSESSMENT (WA) 2: SECONDARY 1 TO SECONDARY 5

1. This is to inform you that our Weighted Assessment 2 will be conducted **between 4 May to 11 May 2023**. **A copy of the WA2 detailed schedule is attached for your reference.**
2. In order to move away from an over-emphasis on academic grading, some subjects will be conducting the WA2 during curriculum time. This will also serve to spread out the period of the WA2 for our students and encourage a habit of regular revision and continual self-directed learning. The subject teachers will be advising students on the exact dates for the WA2 for these subjects.
3. The WA2 will count towards the subject grade at the end of the year. The weightage for WA2 can be found in the school's Student Handbook under School Assessments on Pg 39.
4. **Please take note that some subjects will be conducting the WA2 during curriculum time.** For these subjects, you will be informed accordingly.
5. This Weighted Assessment will count towards the subject grade at the end of the year.
6. During this period, your child/ward is expected to report as usual for the morning assembly and normal timetabled lessons will resume after the tests.
7. A student who misses any paper must have a valid reason (such as a medical certificate). The relevant documents must be submitted to the form-teacher when the student returns to school.
 - a. If he/she is absent without a valid reason, 'AB' status will be awarded. This is equivalent to a 'zero' mark awarded for the paper.
 - b. Students who are absent for the Weighted Assessment will sit for a make-up paper.
 - c. If he/she is late, no additional time will be given to complete the test.
8. The health and safety of all staff and students continue to be of utmost importance. Should your child be feeling unwell, do advise him/her to seek medical attention and refrain from coming to school until he/she is better.
