Tue 04 Jul	Tue 18 Jul	Tue 01 Aug	Tue 15 Aug	Tue 29 Aug

Sec 1 Outdoor Adventure Learning Camp (4 days 3 nights)

10. Our school's Secondary 1 Outdoor Adventure Camp will be conducted at the Ministry of Education Changi Coast Outdoor Adventure Learning Centre from **Mon 31 Jul to Thu 03 Aug**. This is part of the National Outdoor Adventure Education Masterplan which MOE has put in place to strengthen the holistic development of students. The camp seeks to develop ruggedness, resilience, and build cohesion among students.

National Day & Sports Carnival

11. The school will commemorate National Day on **Tue 08 Aug**. After the morning observance ceremony, we will be having a Sports Carnival. The sports carnival provides a platform for our students to take part in inter-class competitions and apply skills they have learnt during their PE lessons.

National & School Examination Matters

12. We have included a table of dates for School and National Exams for our graduating students in **Annex A1 & Annex A2**.

Attendance and Late-Coming

13. Constant absence or late-coming will have a detrimental effect on your child's learning. We encourage your child to seek medical attention if he/she is unwell. Kindly note that late-coming and/or irregular attendance (including CCA) without valid reason will result in an adverse conduct grade.
14. You are reminded not to send your child/ward to school if they are unwell or have flu-like symptoms. Please bring them to consult a doctor instead, and update your child's Form Teachers with the relevant MC. Let's continue to practise good personal hygiene, and exercise social responsibility at all times.
15. The school will be conducting a temperature-taking exercise on Wednesday 05 Jul. Students are reminded to bring their own personal thermometers for the exercise.

End-of-Year Reminders

16. While the calendar in the Student Handbook listed Fri, 27 Oct 2023, as the last day of school in Term 4, we would like to remind all students and parents that there will still be Bridging Programmes ongoing from Mon 30 Oct to Fri 10 Nov 2023.
17. The bridging programmes are designed to better prepare our Sec 3 students for the rigours of 2024. A separate programme also seeks to prepare our SBB students to handle the various subjects in a more demanding stream. Schedules for the Programmes will be issued at a later date.

Update on Key School Events

18. Key events for Term 3 are found in **Annex B**. A copy of this Term Letter is accessible via our school's website at <http://broadricksec.moe.edu.sg/> for your ease of reference.
19. We look forward to your strong partnership in this exciting term as we work together to support and encourage our students as they aspire to achieve.

Warmest Regards
