Dear Parents/Guardians,

Term 3 Letter to Parents

I) General Matters

Thank You

1. We would like to express our appreciation to our dear parents and guardians for the partnership in Semester 1. We look forward to strengthening our partnership in Semester 2. In the meantime, we would like to wish our students/your child/your ward to have a restful break with you, family and friends.

Travel Declaration for Mid-Year Holiday

2. To ensure that schools continue to be a healthy and safe environment for all, we require parents/guardians to make a travel declaration for your child/ward if he/she will be travelling for the holiday.

3. To make a travel declaration for your child/ward via Parents' Gateway (PG), go to [SERVICE>DECLARE TRAVELS]. Please declare your child/ward's travel plan(s), indicating both the country and city of travel, and any city of transit, by 30 May 2024. Only one parent/guardian is required to make the declaration. No action is needed if your child/ward is not travelling.

4. When planning your travel, please refer to <https://www.ica.gov.sg/enter-transit-depart> for more information and updates. If there is a change in travel plan(s) after declaration, please submit a new travel declaration via PG or inform the school if the travel plan(s) is(are) cancelled.

9. In Semester 2, on top of their investigative and experiential learning experiences during Geography and Design and Technology lessons, all Secondary 1 students will participate in hands-on activities that are designed to help them further apply their academic knowledge. This will develop an appreciation of the scarcity of natural resources as well as their sustainable use and management. Health and Safety

11. You are reminded not to send your child/ward to school if they are unwell or have flu-like symptoms. Please bring them to consult a doctor instead, and update your child’s Form Teachers with the relevant MC. Let’s continue to practise good personal hygiene, and exercise social responsibility at all times.

12. You may drive your child to school in the morning but please be reminded to drive slowly and exercise caution around and within the school campus.

Attire/Grooming

13. Due to the hot weather, students are allowed to wear either PE or School's Polo Top to school. Students must be properly attired for lessons in class and during Physical Education (P.E) lessons. Attire/Grooming check will be conducted in Week 1, Week 4 and Week 7. We therefore seek your support in ensuring that your child/ward observes the school rules and regulations. Kindly refer to the 2024 e-Student Handbook (pages 21-23) uploaded onto our school website at <http://broadricksec.moe.edu.sg/> for the detailed information.

14. The Sec 1-3 Weighted Assessment 3 will be conducted between Week 7-8.

15. Please take note that some subjects will be conducted during curriculum time. This will serve to spread out the period of the WA for our students and encourage a habit of regular revision and continual self-directed learning. The subject teachers will be advising students on the exact dates for the WA2 for these subjects.

- During the structured WA period, the flag raising will be conducted at 0730 followed by WA.
- Normal timetabled lessons will resume after WA.

16. A student who misses any paper must have a valid reason (such as a medical certificate). The relevant documents must be submitted to the character coaches when the student returns to school.
