

29 Sept 2021

Dear Parents/Guardians,

**Secondary 3 Normal (Technical) Subject Combination Selection Exercise (2021)**

1. We will like to inform you that your child/ward will be participating in the Secondary 3 Subject Combination Selection Exercise from **Thursday, 21 October 2021** to **Monday, 25 October 2021**, which is after the completion of the End-of-Year Examinations (EYE) in October. This is an online exercise where all Secondary 2 students are to register their choices of subject combinations. Below are some important dates for you to take note of:

Date(s)	Activity
21 October 2021 (Thu) to 25 October 2021 (Mon)	Online registration of subject combinations More details on the registration process will be given closer to the date.
5 November 2021 (Fri), 10am	Release of subject combination offer
5 November 2021 (Fri), 10am to 9 November 2021 (Tue), 4pm	Submission of appeals
17 November 2021 (Wed), 12pm	Release of final appeal results

2. To assist you and your child/ward in his/her selection, kindly refer to **Annex A** for more information and additionally, do discuss and consider the following factors:
- your child's/ward's interests, strengths and career options,
  - his/her ability to cope with the subject combination chosen, and
  - requirements/criteria for courses at post-secondary institutions (available in the Student Handbook).
3. We also wish to inform you that the offer of subject combination to students will be based on:
- student's academic performance at Secondary 2,
  - specific subject criteria, and
  - demand for the subject.
4. Please note that the school reserves the right **not to offer** combinations/subjects which do not have at least 15 students who qualify and opt to take the subject.
5. Each student will submit 1 subject combination choice.

### Cross-Stream Subjects

6. In addition, we would also like to take this opportunity to inform you that your child/ward may offer to do English, Mathematics, Science and Mother Tongue at the Sec 3 N(A) level from 2022 as cross-stream subjects if they meet the following criteria,

Course	School-based Results (End-of-Year Overall Results)	Option to offer subject at
N(T)	75% or higher in specific subject <b>and</b> clear a qualifying test for the specific subject	<b>N(A)</b> level starting from Secondary 3

7. This is further subjected to the following conditions:
- They are limited to a maximum of 3 cross-stream subjects.
  - They are required to be performing well in other core subjects (e.g. at least a pass in English).
  - They are expected to bridge the content gap on their own. No structured bridging programme will be provided by the school.
8. Should your child/ward qualify for cross-stream subjects, he/she will be informed at the end of the year.
9. With the information at hand, we trust that you are able to guide your child/ward to make an informed decision.
10. For further queries, you may speak with the Lower Secondary Year Head, Ms Mastura Ahmad at 63445025 or email to: [mastura\\_ahmad@moe.edu.sg](mailto:mastura_ahmad@moe.edu.sg) or Head of Department (Science), Mr Foo Siang Keng, at [foo\\_siang\\_keng@moe.edu.sg](mailto:foo_siang_keng@moe.edu.sg).
11. Thank you.

Yours sincerely

Mrs Tan Lay Hong
